

# Virtual Camp Loyaltown & ComeUnity Recreation Summer 2020

**JUNE 21ST – SEPTEMBER 6TH**

Summer 2020 may not be what we had originally planned, but this does not mean the fun will not continue! All of us at Camp Loyaltown and ComeUnity Recreation are committed to ensuring everyone continues the tradition of making friends from near and far, learning new things and having fun.

**Zoom is our meeting platform. Our team is dedicated to ensure that even if you are unfamiliar with this application, you become a pro!**

Our programs are committed to be engaging, creative and individualized. In order to get started, you need to complete a short and simple Bunk1 application. Just like in the summer, if you do not know how to navigate Bunk1 we are here to help.

**Once we receive your application you will be added to the roster and will receive the weekly calendar with meeting codes and passwords.**

From fitness to art, from nature to tech join us in our creative program! This brochure is a quick overview of the classes we offer. We operate 7 days a week from 9:00am – 9:00pm to keep all engaged day and night!

If you have any questions or suggestions regarding our program, please contact Patrick DeLeon at 516-725-2191 or [pdeleon@citizens-inc.org](mailto:pdeleon@citizens-inc.org).

## ZOOM Programs

### HEALTH & WELLNESS AM Edition 9:00am – 10:30am

Begin your day with Health and Wellness. Our goal is physical and emotional well-being. We begin our day with gentle stretches guided by an amazing instructor. Walking Club then begins with a guided walk. Our walking paths will set in diverse beautiful locations all over the world! Other activities will be individualized. Topics such as fitness, nutrition and many others will be introduced based on engaging conversations and shared voiced interests. To end our session, we provide a calming, guided meditation with positive affirmations.

## **NATURE STUDIES      11:00am – 12:30pm**

During Nature Studies campers explore their natural environment! Our activities focus on the beautiful outdoors. Whether on Camp Loyaltown or from the many countries of our counselors, explore plants, animals and many other elements of nature!

One camper described Nature Studies their favorite because it teaches them about nature not only in their backyard, but all over the world! By having Nature Studies virtually we are guaranteed not to be rained out!

Nature Studies will include crafting with supplies found in nature, creative writing focused on natural surroundings, lessons on animal care, farming and even virtual hikes! Come learn with us!

## **PERFORMING ARTS      1:00pm – 2:30pm**

All of the world is a stage and who does not love to be on it?! During Performing Arts session campers enjoy drama (the theatrical kind), music and other opportunities to perform!

Through structured music classes, drum circles, karaoke, open mic times and role-playing we will develop our musical and performance talents. Campers will have the opportunity to share what they have learned in viewed performances on ZOOM.

Our camp tradition of having a play will continue! Virtually we will be putting on a play and welcoming all to attend! Join us for the fun!

## **CULTURAL ARTS 3:00pm – 4:30pm**

What makes us different is what makes us unique and we each have so much to celebrate. Virtually, friends get together for Cultural Art sessions. We bring people together to learn about the food, music, art, language and traditions of cultures all over the world! Our learning may take place through writing, crafts and videos. No matter the way we are learning, the most important message we bring is that we all need to respect and celebrate the diversity in the world. Please join us to celebrate!

## **CREATIVE ARTS 5:00pm – 6:30pm**

Our team is a creative one and many imaginative adventures await! Our creative art sessions will feature creative writing and arts and crafts. Creative writing may include song writing and creative writing as well as creating the Loyaltown Ledger Weekly Newsletter.

Arts and crafts is a summer camp tradition and we do not disappoint! Our arts and crafts sessions include using a variety of items that we all have in our home. Our lessons are guided by a member of our creative team and individualized feedback and assistance is provided! Unsure if you have what you need, no worries! We will share materials list prior to the class.

## **RECREATIONAL ARTS 7:00pm – 8:15pm**

Every night you can count on some fun and games! We all need the opportunity to laugh more and that is what Recreational Arts is about! Games such as Wheel of Fortune, Jeopardy and Pictionary are so much fun virtually!! Our evening will also incorporate many Camp Loyaltown traditions such as camp fire sing-a-longs, Night at the Races, Spirit Nights and many more.

All participants will be given a Unit/Team Number so that we can enjoy some competitive fun!

Every Saturday Night we will be having our weekly dance! Each week will have a different theme and come enjoy!
